RE: CONFIRMATION OF APPROVAL:

Dear Sir or Madam,

This letter is valid until 30/06/2021.

This letter serves to confirm that De Jongh's Panelbeating Centre situated at 5-7 De Kock Street, Strand, currently holds Subaru Approved Body Repair Centre status.

We confirm that this establishment has access to all Subaru Southern Africa technical data, repair manuals and specifications, and are equipped in terms of Subaru Southern Africa standards and processes to conduct repairs on all Subaru vehicles.

Any Subaru vehicle under warranty, repaired at a Non-Approved Subaru Body Repair Centre, may result in the vehicle warranty being compromised.

Furthermore, we confirm that 2021/22 approval renewal will be finalised in the near future, and updated certification will be distributed as soon as all amendments have been finalised.

Please direct any queries in the above regard to AutoMatrix (Pty) Ltd., the Suzuki approval programme administrators on +27 11 792 7014 / 5 or candice@automx.co.za or charne@automx.co.za.

Sincerely yours,

Wayne Letchman
Aftersales Executive
